

**The Pacific Northwest National Laboratory, University of
Washington, and Washington State University**

ANNOUNCE

**1st Northwest Theoretical Chemistry Conference
(NWTCC)**

Image: Scott Butner

Location: Pacific Northwest National Lab, Richland, WA

Dates: October 26 – 28, 2017

The conference will begin at 5:00 pm on October 26, 2017, with a reception and poster session; it will end at noon on October 28, 2017. The conference is open to faculty and students at all universities and colleges in the Northwest with an interest in theoretical and computational chemistry and related disciplines.
